A WEEKLY THOUGHT.

your soul,-Clayton.

The judge who resigned to go to Con gress and then didn't get to go must What does the United States Government want with the Danish Is sings, nor bird that sours, nor fruit of

lands? Much better sell the Philip- the vine, nor fruit of the Iree, not on pines than buy others. A Southern contemporary says, the God tout made them. Since then there is perfect barmony between smile." We will, but will no hope

One hundred horses changed own-command: "The Lord reigneth, let ers at Harrisonburg on a recent court the earth rejoice and let the multitude of isles be glad thereof.

day, and the prices ruled high. The electrician and automobile have But when we come to the world of falled to drive the noble animal from men we find that "none are perfect

There is unrest in France and when this breaks out among that excitable people no one can tell just where it people no one can tell just where it will end. The horrors of the French rebellion against the God that made revolution gathered fresh force with him, that the ery of the unregenerate each coming and going day.

Ex-President Cleveland was taken suddenly and dangerously ill and they called it "neute indigestion." It used of progress into the land called it "acute indigestion." It used to be known as "heart failure." Our knowing all this as you and I do not, doctors have fails and they are as cries out trembling instead of rejoicing at the thought that the "Lord reign-eth." And is there nothing but

and representatives of the nations of trembling for the people? O, yes, earth are there. The intimation is this: "Rejoice in the Lord, O ye that nothing of practical value will righteous, for praise is comely for the be accomplished. And this must be upright." The gladdest thing in all the to the fact that men prefer war to

Mr. Williams, the gifted editor of Get right with God and then you the Richmond News-Leader, protests will find that "all the way to heaven against a "handle" to his name, and is heaven. is averse to having his photo in the newspaper picture gallery. Needu't squirm, brother, you can't be great and not pay the penalty.

Democratic party just now," says a cent article in which it says: Democratic party just now," says a Washington correspondent. Yes, common sense enough and party loy-alty enough to vote for the nominee when he has been named.

"Plue action of the Jamestown Exposition officials in relegating President H.St. George Tucker to the background and placing Mr. Barr at the liend of the great show, will probably kill Mr. Tucker's boom for Governor of Virginia."

Has Booker Washington a colored of Virginia." neighbor in touch of his summer Our contemporary is evidently poorhome? Of course not, and he only ly informed as to the management of selected this location because of the the exposition, and the duties per fact that there wasn't a negro in sight. formed by its various officials. His ambition is to be on "quality row" position of director general, which Mr. and breathe Presidential atmosphere. Barr now fills, was held by Mr. Low-

Col. Thos. W. Scott, of Charlotte, is president and they nowise conflict. a candidate for the Senate from his district. He is the youngest man of of governors to take charge of the exhis age in Virginia, and in office and contive management. Mr. Tucker out of office has been as true to Demo- was not one of these, and has not been erney as the "seedle to the pole." He in charge of the executive branch of honest and capable and that's the exposition work. The system of measuring up to the Jeffersonian test. direction by the seven governors was

The Virginia bankers have been in session again and we have read the proceedings with interest. The people have vital concern in all that concerns the banks. The judicious handling of money is a rare gift. The history of the business in the State has been of the most satisfactory kind been of the most satisfactory while we are all proud of our local in. stitutions

Sixty-nine young lawyers have reeently passed the State examination which was given under the direction of the judges of the court of appeals. Many of them were graduates fresh from the University and Washington & Lee, and should not have been required to take this extra examination. Diplomas from those schools should be worth something.

Mr. Bryan says a democrat is one who votes the Democratic ticket. And Isn't that sense, common sense? What ticket should a Democrat vote? All the time? Every time? No man is

the time? Every time? No man is From Farmville, Va., Excursion Ticket bound to be a Democrat, but a Democrat is bound to vote with the Demo erat is bound to vote with the penns erats. Any other rule is destruction of party organization, is unadulterated of party organization, is unadulterated crats. Any other rule is destruction

of party organization, is unadulterated nonsense.

The Board of Visitors of the V. M. I. failed to elect a successor to Col. Shipp at its recent meeting, and instead, put Col. Nichols in temporary control. It is a most important position and the Board did well to go slow. Our bone is however, that slow. Our hope is, however, that from the long list of distinguished graduates of the school someone will be found worthy the high honor. No more importation if we have the goods in the home many than the columbia. goods in the home market.

Our little sister, Drake's Branch, music only 25c. Why pay more! Wade & Cralle. has again been baptized with fire, but she will shake off the ashes and "come again." There are no more enterprising business men than are to vents blood poisoning resulting from a be found there, and their courage will out bruise or burn. It also causes the not fail in presence of disaster. The fourteen homes burned will be built again and the town will shine out in pains of a burn almost instantly. For even fairer colors and be ready for sale by the Winston Drug Co. better work. We send our sympathy just now but congratulations will

Labor is scarcer and searcer and yet lands are higher and higher. There is but one explanation and that is found in the fact that farmers are learning to make farming profitable and men of means having knowledge of this fact are ready to put their money in lands.

As labor gets to be lander to command one aere is being made to do the

As labor gets to be harder to com-Agency, Phone 47. mand one acre is being made to do the work of two, and the time is not far distant when one acre will be made to do the work of ten. There is nothing visionary about that suggestion. It can be done and will be done.

Cheapest accident insurance—Dr. Thomas' Eclectric Oil. Stops the pain and heals the wound. All druggest sell it.

#### FROM THE PEW

In Psalm 97, verse 1 we read: The ANINDEPENDENT NEWSPAPER Lord reigneth, let the earth rejoice, let the multitude of isles be glad thereof. And in Psalm 50, verse I, we read:

> owing grain, nor sand of the seashor nor rock of the chills, nor bird that

nor all that are not true to this mis

sion and obedient to the commands o
